

Commissioning artwork is straightforward and involves a few easy steps. This ensures best results and simplifies our co-operation while your artwork is being created.

Stage 1. Consultation

- To identify what's needed
 - Assess ideas
 - Consider options and advice
-

Stage 2. Paperwork

- Brief Questionnaire completed and signed
 - Terms and Conditions checked and approved
 - Payment of deposit
 - Work Agreement outlining acceptance of commission
-

Stage 3. Creation of Artwork

- Thumbnail sketches to establish overall image composition
- Pencilling artwork which serves as the under-drawing
- Inking and scanning the original line-work
- Optional colouring of work, done via computer
- Optional layout and graphic design
- Hand-over of artwork as standard file type
- Oversee printing if required
